

Education:                      Name of School                      Dates attended                      Degree

high school } formal education is not given but Mother Jones

college      was literate and well-spoken, so she apparently

other      had some education

List your work experience. Include approximate dates, job titles, and responsibilities.

1860-1867 - I worked as a housewife and mother to my four children

1871 - present - I worked with the labor movement, fighting for workers' rights

Briefly describe 3 positive personality traits that would make you a desirable employee. You cannot use "I am a hard worker." You must write in complete sentences.

1. I am loyal to a cause.

2. I am a persuasive leader.

3. I am tenacious about things I believe in.

Briefly describe 1 personality weakness and what you are doing to correct it. (You may have to infer this from the reading.) Please write in complete sentences.

Sometimes I am too critical of people who disagree with me and speak out unwisely. I am trying to be more patient with other people's views in hopes that we can come to a common resolution.
